Alexandria, VA 22313-1450

RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT UNDER 37 CFR 1.121

Sir:

This is in response to a Notice of Non-Compliant Amendment under 37 CFR 1.111 dated March 29, 2004 for the above-identified patent application. The Notice asserts that each claim has not been provided with the proper status identifier. Applicants respectfully disagree and have triple-checked the status identifiers of all claims in view of the entire file history, including all amendments, and find the current claim identifiers entirely correct. Applicants are thus at a loss to understand why the Office has further delayed the instant application. Applicants, in satisfaction of the requirement to respond to the Notice of Non-Compliant Response, are thus not submitting any

revised portion of the prior Amendment filed on January 5, 2004 and instead, reaffirm the prior Amendment.

Respectfully submitted,

Davis Wright Tremaine LLP

Barry L. Davison, Ph.D., J.D.
